WHY US

GOOD REPRESENTATION

We take very seriously the fact that we're representing you when we talk to candidates, when we advertise and market. We take time to learn about your organizations so that we're able to do this as professionally as possible. It's an approach that's helped us win an International reputation for class, honesty, integrity and expertise.

COMPETENT STAFF

As we reward and develop our own staff well, they stay with us for twice as long as the other industry average. This means you get a better, more sustainable relationship with us and your staffs don't have to get to know new team members all the time.

QUALITY CANDIDATES

It's what every recruiter wants. It's our focus at Bhaluka Overseas as our services are attentive and rigorous, we attract best candidates and get a lot of referral businesses, creating a high-quality talent pool for recruiters. We keep in touch with our candidates too, meaning you see potential employees that are better-prepared and more proactive.

PROFESSIONAL TEAM

Trained and experienced industry professionals. High employee retention and service continuity. Will provide needful training to staff and where needed will assemble best of class professionals.

TRAINING

Assuring Skill Quality, Good Discipline and Good Health.

A successful training program for skill quality, good discipline and health development is always a work in progress, here are several methodologies we follow to retrieve good results.

- Training delivered as planned, on time and to the appointed audience.
- Provide appropriate training methods to the candidates.
- Find specific problems occurred and find out possible solution.
- Create new methods and systems, introduce new tools, ideas, and processes with technology which are required in today's world.
- Keep all workstation clean and orderly. Perform housekeeping every day to ensuring good work environment.
- Regularly check all equipment and tools to ensure that they are well maintained and safe to use.
- Instruct on PPE, emergency plans and the provision of first-aid.
- Provide information to staff and students about health and safety hazards. Conduct health & safety. Orientation session on daily basis in every courses.

RECRUITMENT

Procedure of Recruiting & Selection for Training and Testing
